24" Amalfi Surf Rosoni

24" Piemonte Vine Rosoni

Note: See coordinating micro borders. By using borders with other mosaics, Rosoni Panels can be increased in size.

Montage Boards

Jeffrey Court's **Chapter 11 "Antiquity"** is a natural stone collection featuring many sizes, shapes, patterns, colors – all in a classic style. This "timeless" elegance assures a life time of enjoyment.

As with all stone products, we recommend installing per ANSI standards to include a sealing and maintenance program, thus insuring the investment is protected. Expect substantial shade, size, and dimensional variation with all natural stone materials.

Panel 11-6
Color: Almond Cream
Items: 2" x 4" Bricks, 3/8" Micros,
12" Antiquity Dome

Panel 11-2
