

# CARRARA BLANCO

Engineered Quartz - ●●●●○

Inspired by the softest eggshell tones of Italy's Carrara marble, Carrara Blanco Quartz features wispy swirls of grey veining dancing musically across a background that's best described as 'neutral a-go-go.' This color is designed to have all the variations of natural stone. 4E is made of 92-96% of natural Quartz and it keeps the consistency and stability of natural rock. Because it is less porous than marble or granite, it is very stain resistant and does not require sealing. It is a durable and scratch resistant material that cleans easily with simply soap and water. 4E is manufactured to be hygienic and is a fully certified product including NSF\*, GREENGUARD and CE making it ideal for healthcare, education, hospitality and food service.
