

# CHELTENHAM

Engineered Quartz - ●●●●○

Cheltenham Quartz is a sophisticated blend of black, grey and white with hints of copper flecking designed to have the variation of natural stone. 4E is made of 92-96% of natural Quartz and it keeps the consistency and stability of natural rock. Because it is less porous than marble or granite, it is very stain resistant and does not require sealing. It is a durable and scratch resistant material that cleans easily with simply soap and water. 4E is manufactured to be hygienic and is a fully certified product including NSF\*, GREENGUARD and CE making our surfaces ideal for healthcare, education, hospitality and food service.
