

STONEHAVEN

Engineered Quartz - ●●●●●●

Building on a complex and inviting background of eggshell and alabaster, Stonehaven grows in intensity with intricate swirls of black veining ... drawing you in like an airy, ethereal operatic solo. This color is designed to have the variations of natural stone. 4E is made of 92-96% of natural Quartz and it keeps the consistency and stability of natural rock. Because it is less porous than marble or granite, it is very stain resistant and does not require sealing. It is a durable and scratch resistant material that cleans easily with simply soap and water. 4E is manufactured to be hygienic and is a fully certified product including NSF*, GREENGUARD and CE making it ideal for healthcare, education, hospitality and food service.
